

2022 Trampoline & Tumbling Competition Handbook[©]

COVID-19 Related Preface

COVID-19 and the associated restrictions have had a huge impact upon all our lives and our community. The implications have been clear in relation to the British Gymnastics 2020 and 2021 National Event calendars, where the majority of planned activity in both years have been cancelled.

However, with the vaccine roll out continuing at pace, it is with greater hope that we look forward to resuming a normal programme of Events in 2022.

We continue to work very closely throughout the pandemic with the Technical Committees and Performance teams to review how best to deliver their respective event programmes.

Whilst our planning is progressing on the basis that social distancing has come to an end, we will be taking all reasonable steps to create a COVID-19 secure environment at Events in alignment with current government guidance. We will continue to review this and react accordingly should the government make any changes to their guidance.

This may require returning to limiting the capacity of both entries and spectators within event venues to ensure social distancing can be maintained, increased cleaning and hand hygiene provision and the implementation of personal protective equipment (where necessary).

It's important that everyone planning to attend an Event understands that although measures will be put in place to decrease the likelihood of transmission or contraction of COVID-19, the risk cannot be eliminated.

As such there is an increased risk associated with attendance at an Event and everyone must consider their own circumstances, which includes but is not limited to personal underlying health conditions (of themselves or someone within their household), when making an assessment about attending events.

It is also important that each individual understands the responsibilities they have to keep not only themselves safe but to work together to make sure we can create a safe environment for all – we really do need everyone's help!

As a result of the restrictions being different for each part of the UK in late 2020 and continued interruptions to training throughout 2021 the impact restrictions have had on every club have varied widely, it is acknowledged that it will be more difficult than normal to create a completely level playing field for all.

As always, we ask coaches to make the appropriate assessment of a gymnast's ability level and their readiness both physically and mentally to take part in future events, based on their own particular circumstances.

It is fully acknowledged that some flexibility and changes to the normal way Events are staged may be necessary for the foreseeable future.

We are therefore extremely grateful for everyone's patience, understanding and co-operation in trying to regain some much-needed normality in these incredibly challenging times.

Statement from Technical Committee

In preparation for the forthcoming competition season, the TC would like to advise an addendum to the TRA, TUM & DMT Technical Requirements relating to the 2 Spring Cup Events due to take place in Telford this year.

The TC reserves the right to remove the 'Final' phase(s) of any or each competition category should this be necessary for the effective timetabling or smooth running of the event. We will confirm whether a final is to be included for each event/category once the entry deadline has been passed and when we publish the official timetable for the event. When included, finals will always be run on the same competition day as preliminaries at Spring Cup events. In exceptional cases where there is no alternative solution, we may also take the decision during the competition day to remove finals from any event we deem necessary. Such decision would only be made where a substantial, unforeseen delay in the event programme means running finals will not be possible.

This addendum has been decided following in depth consultation with both coaches and the BG events team, taking on board lessons learned from the National Open Event held in October last year and taking into account uncertainty in entry numbers due to the competition hiatus caused by the COVID-19 pandemic. We hope you understand the need to have flexibility in our competition programme to ensure BG staff and coaches' working days are controlled to a reasonable length and to make sure we are able to take the necessary action to ensure all those who would like to compete at our events have the ability to do so.

In addition to the above, we reserve the right to schedule a discipline-specific timetable for the Spring Cup Events (i.e. independent timetable for each discipline). This may be used to avoid the need for gymnasts to wait on the FOP while the competition of another discipline is in progress.

In the interest of ensuring the flow and speed of competition at the Spring Cups the Technical Committee has made the following alteration to the competition process for DMT. The scores will not be reset to zero between the preliminary rounds of Q1 (2 passes) and Q2 (1 pass). All gymnasts will compete both rounds (Q1 and Q2) in the preliminaries. The ranking for the top 8 final will be determined by a cumulative score from both preliminary rounds (3 passes).

In the Spring Cups the top 8 final will also not have scores reset to zero between the rounds of F1 (1 pass) and F2 (1 pass). All 8 gymnasts will complete both final rounds and the final ranking will be determined by a cumulative score from both final rounds (2 passes).

We would like to take this opportunity to remind coaches and gymnasts of the following repetition rules:

Q1 – no element may be repeated across the 2 passes of the Q1 round, regardless of where the element appears in the pass. The 2 passes of the Q1 round must contain 4 completely unique elements.

Q2 – elements may be repeated from the Q1 round. However, any repeated element must appear in a different phase of the pass, otherwise no DD will be awarded for the repeated element.

F1 and F2 – Elements may be repeated from any of the preliminary rounds. However, no element may be repeated across the 2 passes of these final rounds, regardless of where the element appears in the pass. The 2 passes of the F1 and F2 rounds must contain 4 completely unique elements.

Eligibility

Membership

All persons attending British Gymnastics events in an official capacity, whether as a gymnast, coach or judge are required to hold a current British Gymnastics membership in line with the level of competition entered and awards held.

- **Gymnasts**

Membership level must be Competitive Gymnast, Coach or Life Member of British Gymnastics, in order to enter a British Gymnastics Event.

In normal circumstances, gymnasts should also be a member of a British Gymnastics registered club.

In exceptional cases, where a gymnast does not belong to a British Gymnastics registered Club, they must contact the Events Department and request entry into the Event. If granted, such gymnasts will be given the classification as being “Independent”. In such circumstances independent gymnasts must nominate a coach and must also meet all other membership requirements.

For all Grades/NDP Events, gymnasts must hold current British Gymnastics Competitive Gymnast membership at the time of the Inter-Regional Qualification Events. Anyone discovered to have been without the correct level of membership for these qualification Events will be disqualified.

- **Lead Coaches**

Lead Coaches’ membership level must be Coach or Life Member of British Gymnastics and coaches must be qualified to the level of all the skills being performed by all gymnasts in the club/region before being allowed to participate in a British Gymnastics Event. Lead Coaches must have current safeguarding and DBS certificates, please see Safeguarding section. The Lead Coach may authorise other coaches from their club/region to coach skills at a maximum of 1 level higher than that coaches’ qualification (Supervised Coach) but has responsibility for ensuring that they are competent to do so. For further information on the changes introduced for Lead and Supervised Coaches, please click here 

- **Coaches**

Coaches’ membership level must be Coach or Life Member of British Gymnastics and Coaches must be qualified to a minimum of level 2. Coaches must be qualified to the level of all the skills being performed by the gymnasts for which they are responsible. Coaches must have current safeguarding and DBS certificates. Please see Safeguarding section.

- **Supervised Coaches**

To be a Supervised Coach you must be a minimum of Level 2. With the explicit authorisation of the Lead Coach, Supervised Coaches may coach skills at the maximum of 1 level higher than their current qualification.

Until the end of 2022, it has been agreed that coaches may coach skills at a maximum of one level higher than their current qualification under the guidance of a Lead Coach, even if they have not yet attended a course with a syllabus containing those skills. This will apply to British Gymnastics national events and regional events that lead to a national final (where national rules apply).

For further information on the changes introduced for Lead and Supervised coaches, please click here 

- **Assisting Coaches**

Assisting Coaches’ Membership level must be Assistant Coach (if Level 1), Coach or Life Member of British Gymnastics before being allowed to participate in a British Gymnastics Event. Assisting coaches must have current safeguarding and DBS certificates, please see Safeguarding section. Assisting Coaches cannot be responsible for the gymnasts.

- **Choreographer**

Choreographers’ Membership level must be Competitive Gymnast, Assistant Coach (if Level 1), Coach or Life Member of British Gymnastics before being allowed to participate in a British Gymnastics Event. Choreographers must have current safeguarding and DBS certificates. Please see Safeguarding section.

- **Disability Chaperone**

Disability Chaperones may be permitted to provide pastoral care to gymnasts in certain circumstances. Under no circumstances may a Disability Chaperone coach a gymnast. In the case where a gymnast has a disability, the nature of which indicates that it is deemed necessary to have additional support, they will be entitled to have a carer present with them throughout the competition. This Disability Chaperone will not be insured by British Gymnastics to take part in any type of recognised gymnastic activity. The Disability Chaperone will be required to sign a code of conduct to ensure they understand the role they are fulfilling within the event environment. The Disability Chaperone will be required to be dressed appropriately (please refer to the relevant section of the discipline specific code of points) if entering the warm-up hall or field of play.

- **Medical Chaperone**

In exceptional cases, upon written request, a Medical Chaperone may be approved to provide pastoral care to a gymnast with a medical condition. Written medical verification of the need for this carer (from a GP or other medical practitioner) will be required to be submitted to the Events Department at least 1 week prior to the start of the Event. The Medical Chaperone will not be insured by British Gymnastics to take part in any type of recognised gymnastic activity. The Medical Chaperone will be required to sign a code of conduct to ensure they understand the role they are fulfilling within the event environment. The Medical Chaperone will be required to be dressed appropriately (please refer to the relevant section of the discipline code of points) if entering the warm-up hall or field of play.

- **Supervising Chaperone**

The TC may authorise Supervising Chaperones to assist with pastoral care for gymnasts. These entitlements, if applicable, will be defined in the specific competition pages. In these circumstances the Supervising Chaperones must either be qualified as a Level 1 Assistant Coach or be a club/regional Welfare Officer and hold the relevant membership and qualifications, DBS & SPC for their position(s). Supervising Chaperones will not be permitted to enter the field of play.

- **Judges**

Judges' membership level must be Judge or Life Member of British Gymnastics for Club/County/Regional Judges, and National/Brevet Judge or Life Member of British Gymnastics for National and Brevet Judges before being allowed to officiate at a British Gymnastics Event. Members with coaching memberships that also have the required judge qualifications as laid out above are also applicable. 

From time-to-time British Gymnastics may invite international judges to officiate at British Gymnastics events, as such they will not require British Gymnastics membership.

Judges must also hold a judging award for this current cycle (Cycle 14).

British Gymnastics does not require judges to complete a criminal record check to judge at British Gymnastics competitions, as the role that judges fulfil at the event no longer falls within DBS or Access NI Eligibility*. However, some judges are actively involved in club gymnastics and may provide judging instruction to children in a training environment or carry out a supervisory role (or may complete a criminal record check by virtue of another role they undertake e.g. coach). As not all judges use their qualification in the same way, it is the club's responsibility to assess the role the judge is undertaking and determine whether the activities involved fall within the eligibility criteria for a criminal record check. British Gymnastics no longer requires all judges to complete safeguarding training, but clubs should ensure any judge who supervise or instruct children has completed appropriate training.

* Judges who hold Scottish Gymnastics membership should refer to [Scottish Gymnastics](#)  for further guidance as to whether a check is required.

For further information on membership levels please visit the British Gymnastics website. 

Coach Qualifications

When submitting entries for a British Gymnastics Event, clubs/regions must ensure that all coaches are qualified at the appropriate level.

Where Supervised Coaches are coaching skills one level above their current qualification, they must have been working in the training environment on these skills under the direct supervision of a coach who is qualified at the correct level. All coaches should continue to conduct risk assessments prior to undertaking any skill and assess the appropriate level of skill and support needs of both the gymnast and the coach on the floor at the event.

All Coaches must have completed the [British Gymnastics Positive Coaching module](#) 

All Coaches entered into the event entry MUST be the same as those attending the event. It is unacceptable to enter a coach you know will not be attending. The Lead Coach has the ultimate responsibility for all the participants from their club/region and that of the Supervising Coaches, Assistant Coaches, Chaperones & Choreographers.

It is the club/region's responsibility to ensure that only accredited coaches are on the Field of Play and warm up areas.

Coaches who are used to push mats must be at least a level 2.

Lead Coaches have a duty of care towards their performers and have responsibility to ensure that all of the coaches under their supervision are both qualified and competent to teach at the appropriate level, as well as ensuring that the participant is adequately prepared, physically and psychologically, for performing their exercises in a competition situation.

Additional Assisting Coaches (Level 1 and above) may be accredited, at the discretion of the Organiser, to be present in the competition arena to assist with the pastoral care of the gymnasts. Assisting coaches may not coach the gymnasts unless they fulfil the requirement of holding a recognised qualification suitable to the level of skills being performed.

Additional Medical and Supervising Chaperones may be accredited, at the discretion of the Organiser, to be present in the warm up hall and where applicable the Field of Play, to assist with the pastoral care of the gymnasts. Chaperones may not coach the gymnasts.

If it is found that a club is in breach of these policies British Gymnastics reserves the right to reject an entry on the grounds of gymnast safety or, if discovered post performance, to disqualify the competitor and remove their score(s) from the official results.

Safeguarding

All Coaches, Lead Coaches, Supervised Coaches and Assisting Coaches are required to hold a valid DBS certificate, or Home Nation equivalent, and have current Safeguarding and Protecting Children Awareness training at the time of the event.

Coaches who do not fulfil this requirement will not be accredited or allowed to participate at British Gymnastics Events.

All gymnasts must have an accredited coach present on the field of play and in the warm up hall at all times. If a gymnast attends a competition without a suitably qualified coach or supervised coach they will not be allowed to compete.

Initial Safeguarding training, which is valid for 3 years, must either be a face to face workshop or an online classroom and delivered by a recognised training organisation.

British Gymnastics accepts training from the following providers:

- Local Authority Safeguarding
- FA Safeguarding
- UK Coaching Safeguarding and Protecting Children
- NHS Safeguarding
- Specific professional prior learning (Social Worker, Teacher, Police Officer etc)
- (Or Home Country equivalent approved by Scottish Gymnastics/Welsh Gymnastics/Gymnastics N Ireland)

This must be renewed every three years and be valid both at the time of entry and through to the end of the event. Coaches are responsible for checking the expiry date of their safeguarding and ensuring they have sufficient time to renew their award prior to the closing date of the event.

To enhance national safeguarding training, we provide a sport-specific online Safeguarding Refresher course which can be used to renew safeguarding after completing a face-to-face course [↗](#)

Coaches must also have a valid DBS [↗](#) disclosure both at the time of entry and through to the end of the event before being allowed to participate at a British Gymnastics Event.

Nationality

Participation in all British Gymnastics Events is subject to the requirements of membership, club/regional registration and other conditions of entry.

In addition, the following regulations concerning Nationality are applicable to British Gymnastics Events.

British Championships

Only those in possession of a valid United Kingdom passport (and do not hold a FIG licence for another member federation) are eligible to be ranked in the official competition results, where a British Championships title is being contested. This is effective for individual competitions. In team competitions or where gymnasts compete together as part of a group/partnership, all of the gymnasts must be in possession of a valid United Kingdom passport in order for that team/group/partnership to be ranked in the official competition results.

At the discretion of the British Gymnastics Technical Committee and with agreement from the British Gymnastics Performance Director (or their appointee), those who are not in possession of a valid United Kingdom passport may take part in competitions where a British Championships title is being contested. Participation is also subject to approval from their own FIG Member Federation in accordance with FIG statutes. They will receive score(s) but will not receive a ranking in the official competition results. In such circumstances gymnasts will be referred to as Guests.

Gymnasts holding dual citizenship (including a valid United Kingdom passport) are only eligible to receive a ranking in the official results (either as an individual or as part of a team/group/partnership) if they do not hold a FIG Licence registered by another FIG Member Federation or have not represented another FIG Member Federation.

Gymnasts who are not in possession of a valid United Kingdom passport and who are not members of British Gymnastics may be invited by the British Gymnastics Technical Committee or Performance Director to take part in the British Championships. They will receive score(s) but will not receive a ranking in the official competition results.

Other British Gymnastics Events

At the discretion of the British Gymnastics Technical Committee and with agreement from the British Gymnastics Performance Director (or their appointee), non-British citizens may take part in other British Gymnastics' Competitions. Participation is also subject to approval from their own FIG Member Federation in accordance with FIG Statutes

Those gymnasts who are not in possession of a valid United Kingdom passport must have been a member of British Gymnastics for at least one year prior to the date of the competition in order to be eligible to take part. During this period the gymnast's sole or main residence must be within the United Kingdom.

They will receive score(s) and will receive a ranking in the official Competition results. This is effective for both individual competitions and competitions where gymnasts compete together as part of a team/group or partnership.

Where a Competition provides a qualification route to take part in a British Championships, the results of a non-British citizen will not lead to the displacement of a British citizen who would have otherwise qualified for the British Championships.

In exceptional circumstances, gymnasts who are not in possession of a valid United Kingdom passport and who are not members of British Gymnastics may be invited by the British Gymnastics Technical Committee or Performance Director to take part in British Gymnastics Events. The Technical Committee with approval from the Performance Director will have the discretion to determine whether their scores will contribute towards the official Competition results.

Disclosure

It is the responsibility of the person making the event entry to ensure that all of the gymnasts have declared their nationality by contacting the events team at point of entry.

Policy for the Participation of Trans People in Gymnastics Competition

For information on Transgender, please refer to the Policy for The Participation of Trans People in Gymnastics Competition 

Competition Entries

Entry Process

Entry to all National British Gymnastics Events are Online only.

Complete instructions for adding an entry via the GymNET online Entry Portal are available to download from the British Gymnastics website 

All entries must be fully submitted electronically to British Gymnastics by the stipulated closing date and time.

Prior to the event, an entry may only be amended by the person making the original entry.

Guests

If a gymnast wishes to compete as a guest (see Nationality section on page 11 for details of guest gymnasts) at a British Gymnastics event the club/coach should contact the events department in the first instance before the closing date. Guest gymnasts will be placed on a waiting list. Following the competition closing date, a decision will be made between the Technical Committee, the Events Department, and the Performance Department as to whether the entry can be accepted. If the entry is accepted the entry fee will then become payable and entered into the club basket.

Disability Gymnastics

British Gymnastics is focused on ensuring fair and equal opportunities are provided to all gymnasts.

Disabled gymnasts may compete in both mainstream and dedicated disability British Gymnastics competitions, providing they meet the eligibility criteria for the competition. Disabled gymnasts may switch between mainstream and disability competitions within the same or different disciplines. Only those disabled gymnasts who meet the eligibility criteria may compete in disability competitions.

All gymnasts competing within a mainstream competition will be judged by the same rules and criteria regardless of ability and/or disability.

Where an event includes both mainstream and disability competitions, disabled gymnasts may enter both competitions providing there are no scheduling conflicts. If there are scheduling conflicts the gymnast must choose which competition, they wish to enter.

As part of the development of Disability Gymnastics, British Gymnastics has produced its own sport specific Disability Gymnastics Classification Certificate. The classification certificate is contained in a pack which also clearly defines the eligible impairments for Disability Gymnastics Competition. All disabled gymnasts should complete a classification certificate as good practice when competing at regional level or above. A classification certificate is compulsory for gymnasts competing at a British Gymnastics National Event.

Disabled gymnasts will be required to provide proof of Disability at least six weeks before the event. Please note that unless there are any significant changes, a Disability Classification Certificate only needs to be completed once in most cases. Please complete and return the Disability Gymnastics Classification Certificate by following the instructions in the [Disability Classification Pack](#)

Although there are 44 different eligible classifications (Profile groups) in the Classification Pack, this does not mean that there are 44 different competition categories for Disability Gymnastics competition.

The Disability competition classification categories available can be found within the information pages for each competition which has integrated disability.

All clubs and coaches must inform the British Gymnastics Events Team of any gymnasts who have medical conditions or impairments that require special consideration at British Gymnastics events. This information should be shared with the British Gymnastics Events Team at the point of competition entry and will enable the British Gymnastics Events Team to endeavour to make any reasonable adjustments in line with the Equality Act and where possible to cater for the additional needs of each gymnast.

Methods of Payment

Payment can be made by Debit Card, Credit Card or BACS payment. BACS payment however may slow the entry process. Payments should be received by British Gymnastics within 48 hours of the entry being submitted.

Cheques are no longer accepted, therefore clubs and regions must arrange alternative payment methods.

Entry fees are non-refundable after the closing date.

British Gymnastics Foundation Hardship Grants

Our Charity, the British Gymnastics Foundation, runs a Hardship Grants programme which provides grants of up to £500 for individual members of British Gymnastics, who are experiencing significant financial hardship. If you are unable to afford the costs of participating in gymnastics, and are in danger of dropping out of gymnastics because of this, then please do apply for a hardship grant [here](#). The cost of competitions is an eligible item of expenditure within the Hardship Grants criteria. Please note that the Hardship Grants programme is not continually open for applications, but details on grant round timings can be found on the Hardship Grants application page in the link above.

Late Entries

Late entries will only be considered in exceptional circumstances and only up to 7 days after the closing date.

In the unlikely event of a late entry being accepted, payment of three times the normal entry fee stated for the competition will be required for individuals (including partnerships and groups). For team late entries the fee will be double (including clubs and regions). However, the late entry payments will be capped at £1000 (i.e. the additional payment over and above the normal entry fee per gymnast / partnership / group / team will be capped at £1000).

Late entries must be made in writing to the British Gymnastics Events department and will then be referred to the Organiser for consideration. The Organiser and British Gymnastics Events department will have absolute discretion whether to accept a late entry.

Late entry requests may be placed on a reserve list and clubs notified if their entry is accepted following a withdrawal, up to 1 week prior to the event.

Withdrawals and Substitutions

Amendments to an entry before the closing date will not incur a penalty and in the case of withdrawals, the entry fee will be refunded. Entry fees are non-refundable after the closing date.

For Inter-Regional Challenge Cup Finals, if a Region wishes to make a substitution (due to the withdrawal of a previous regional entry) of a gymnast, they can only do so up to one week before the event, in writing to the British Gymnastics event department after the entry is closed. Proof of qualification of the substitute must also be provided if applicable, at the time of the request. Substitutions will not incur a fee however there is no guarantee that the substituted names will be included in the spectator programme or other event related items.

Where it is necessary to substitute a Coach the club must inform the British Gymnastics Events Department, so the Coach can be checked for membership, awards and safeguarding, before they can be accredited for the Event.

Where, through unforeseen circumstances, this is not possible or, where information has not previously been supplied, the substitute must inform the Organiser immediately on arrival at the venue and produce their coaching award certificate, and current British Gymnastics specific DBS.

Where there are specific rules and/or processes relating to withdrawals and substitutions please refer to the specific event page.

Non-Participation Fee

By entering a gymnast (individual/partnership/group) or a team (team events) into an event, the enterer accepts that, should any gymnast or team fail to register to compete by the end of registration for a competition, the appropriate fee for non-participation will be added to the club basket or in the case of regional entries, basket of the person making that entry.

Fees will be charged as follows:

£25 – Individual / Pair

£50 – Trio / Group / Team

Should a gymnast be withdrawn, for whatever reason, the club or coach must inform the Organiser and Events Department in writing via email or notifying a member of the events team at the registration desk up to the close of registration for the relevant session. Email addresses are listed in the Contact Information on page 6 of this Competition Handbook. Withdrawals will only be accepted via email.

Failure to inform the Events Team of the Organiser as laid out above will result in the non-participation fee being charged.

General Regulations

Terms & Conditions of Entry to All Competitions

Competition Attire

- **Gymnasts**

In order to make British Gymnastics' events more inclusive and accessible, a new policy has recently been approved by the Board, following consultation with the National Technical Committee and having adopted feedback received from the community.

In principle this policy overarches, but should be read in conjunction with the discipline specific policies and references in the Codes of Points and other documents.

In essence the policy seeks to break down barriers to participation by for example removing gender specific requirements for competition attire. eg girls may now wear shorts or leggings.

These overarching principles may be found in the [Competition Attire At Events For Gymnasts Policy](#) 

The implementation of this policy will be monitored for the first year and reviewed accordingly, but coaches are encouraged to contact British Gymnastics office or their respective Competition Organiser should they have any queries about the attire that they propose for their gymnast to wear at British Gymnastics events.

Advertising must adhere to the [Advertising on Clothing & Competition Attire At Events Policy](#) 

When representing your Club (excluding Regional Challenge Cup Individual and Inter-Regional Challenge Cup Team Finals – Home Nations only), the wearing of GBR or Home Country attire at British Gymnastics Events is strictly forbidden. For the avoidance of doubt, any inclusion of the Union Flag (or home nation flag) within the design of any leotard is expressly forbidden.

Strapping – a suitable colour of tape should be used, ie no bright colours or patterns

The removal of leotards on the field of play is not allowed.

- **Coaches**

Coaches must wear a tracksuit with full length tracksuit bottoms or full length tracksuit bottoms with a collared polo shirt or club/regional t-shirt and appropriate gym/training shoes.

The wearing of GBR or Home Nation attire at British Gymnastics Events is strictly forbidden

The wearing of baseball caps on Field of Play or in Warm Up Hall is strictly forbidden

Long hair should be braided or tied back so as not to obscure vision.

Coaches will not be allowed on the competition floor if wearing ANY jewellery. If it is impossible to remove items of jewellery they should be taped. Exceptions are as per [Health & Safety Guidance: Safe Coaching](#) 

- **Judges**

Male: Blazer or suit, trousers, white shirt, British Gymnastics/FIG or plain dark tie, black or blue shoes

Female: Blazer or jacket, skirt or full-length trousers, white blouse, black or blue shoes (without heels)

Recorders, computer operators and other officials who may be working alongside the judges should dress similarly.

Please refer to discipline specific rules in the [FIG General Judges' Rules 2022–2024](#) for further information. 

- **Spotters**

Spotters must wear the attire as described in the Trampoline [FIG Code of Points](#) 

Non-compliance may result in removal of the coach/spotter and consequently, for Health and Safety reasons, their gymnast from the competition.

For gymnasts, coaches and judges, chewing gum is not allowed at any phase of the competition, including the opening ceremony and presentation of the awards or closing ceremony.

Mobile Phones

- Apart from as required for the running of the competition, gymnasts, coaches, judges and officials must not use mobile phones or any other electronic communication devices including tablets, to make calls, take photographs or be used for other forms of communication in the Field of Play during the event. Such mobile devices may only be used for monitoring scores and results, where the BGScore App is in operation.

Music (where applicable)

All music for competition routines must be uploaded onto the GymNet portal at the latest one week before the competition date (see event page for specific time and date). If your gymnast does not require music, please tick the 'Music not required'.

Instructions for submitting music electronically may be found within the [Online Entry Guide](#) 

Coaches are advised to carry a backup copy of all music files (contained within an USB storage/flash drive) that can be used in the event of any technical issues with the music submitted. Each track on the USB drive must be in MP3 format and clearly labelled with the following format:

Gymnast Names-Club-Category-Routine

Late Music Submission (where applicable)

Late submission of music will attract a fee of £20.00 per gymnast/partnership/group/team. This fee will be added to the club basket. In the case of regional entries, the fee will be added to the basket of the person that has made the entry. Music not uploaded by the deadline cannot be guaranteed to be uploaded on the day.

Music Licensing (where applicable)

All music used in competition routines must conform to the relevant licensing requirements. Details may be found upon logging into the Club Hub Resources website. 

Certain tracks belonging to Disney, Andrew Lloyd Webber and Cirque du Soleil can be used but this should be checked on the PPL website to confirm the track is included within their repertoire.

To check tracks, go to  and enter the artists name and title. Any music listed as part of the search can be used.

If the track is not included within the listed tracks the club must apply directly to Disney, Andrew Lloyd Webber or Cirque du Soleil to use the track and pay the relevant licensing fees.

Order of Performance

The order of competing for individual events and team events shall be decided according to the competition arrangements made by the Organiser or such officials as may be authorised by the Technical Committee. For the purpose of maintaining a smooth and timely running of the event, or where the safety, security and good performance of the gymnasts is a concern, the Technical Committee reserve the right to alter the grouping of gymnasts and/or running order of performances as may be deemed necessary by the Organiser or authorised officials, up to the start of warm up.

Wherever practical the Organiser shall produce and circulate to all participating clubs a provisional start list and running order for an event at least 2 weeks before the day thereof.

Registration

Coaches must make adequate provision for the supervision of their gymnasts upon arrival at the venue. Gymnasts will not be allowed to register or begin warm up without their coach present.

Only register your Gymnast(s)/Club/Region when those competing in that section of the event have arrived at the event and intend to compete. Please inform the registration desk of any withdrawals as soon as possible.

During registration accreditation/passes will be issued. Abuse of accreditation/passes may result in disciplinary action taken by British Gymnastics.

Specific registration processes where appropriate can be found in the event work plan.

Access to Warm up Hall

Access to the warm up hall will be limited to the appropriate number of Coaches and Chaperones (where applicable) as defined in the specific details section for each Event.

On arrival, coaches will need to register and collect their accreditation from registration.

In the case of events spanning more than one day, accreditation will be issued for each day.

At larger national events the FIG/UEG recognised accreditation system will apply.

Abuse of accreditation may result in disciplinary action being taken by British Gymnastics.

Judges will not be allowed into the warm up hall once the judges meeting has taken place.

Food and Drink

There may be restrictions within the competition areas with regards to food and drink. This is to manage food intolerances and allergies.

Babies and Young Children

In the interests of safety, for the smooth running and professional presentation of the events, babies and young children are not permitted to enter the warm up hall or field of play, even if they are being supervised by an adult.

Medical Provision

Anyone requiring First Aid assistance should speak to either the Organiser or British Gymnastics medical team. It is recommended that all coaches have a First Aid kit with them for minor injuries.

At all British Gymnastics Events an official medical team will be appointed and will be available to treat gymnasts who sustain an injury at the event. The medical team are not able to treat pre-existing or chronic injuries.

Any injury occurring during the official training or competition must be reported to the medical team, to ensure a record can be kept of treatment given and by whom.

The decision of the British Gymnastics appointed medical officer as to the gymnast's health, medical status, and their ability to compete at the event is absolute and final.

Medal Ceremonies

Except in exceptional circumstances, gymnasts who win a medal at a British Gymnastics Event are expected to remain in the venue until the completion of the competition and participate in the medal presentation ceremony in order to collect their award in person.

Medals will only be distributed at events not by post.

Attire for medal ceremonies is according to FIG World Championships or European Gymnastics rules. 

Tenure of Trophies

All perpetual trophies remain the property of British Gymnastics.

Perpetual trophies are the responsibility of the winning club or region. The club or region are responsible for the inscription of, as well as safekeeping and maintenance of, the trophy and for returning it to the Organiser prior to the competition the following year by either; -

- Making arrangements for it to be delivered to the competition venue on the day.
- Returning it to the competition organiser at least one week prior to the competition.
- Returning it to the British Gymnastics offices at least one week prior to the competition.

Failure to do this or loss of a trophy will incur a cost to the individual / club.

Privacy

British Gymnastics Privacy Notice 

At many events, British Gymnastics may produce event merchandise (eg event tshirts). These may include the names and/or clubs of the gymnasts taking part.

Where competing gymnasts have a disability, it may be necessary to share the details of this disability with Performance staff and the Technical Committee in order to discuss if modifications to rules and processes are appropriate arising from this disability.

The scores, results and "Judgecam" videos from British Gymnastics events, where BGScore is present will be made available in the BGScore App and also published on the British Gymnastics website in the specific event page.

Video, Film and Photography

Photographs and video footage will be captured at British Gymnastics events.

British Gymnastics accredited photographers and the media may be present and in some cases events may be live streamed by the British Gymnastics TV production team, or broadcast partners. The images taken at events may be used by British Gymnastics, GEL and the British Gymnastics Foundation for the purposes of promotion, education and development of the sport.

They may also be shared with journalists, through social media outlets e.g. Facebook, Instagram, YouTube etc. and our third-party partner organisations for general promotional purposes.

Anyone who does not wish themselves or their child to be photographed/filmed at the event must advise the British Gymnastics Events Department or the Event Organiser. Although it is not always practical to manage the content of live streamed footage, we will make every effort to ensure any identifiable images of the participant are not published.

British Gymnastics will display clear signage and make announcements about photography and filming at relevant events. Any footage of children and individuals who are vulnerable will be published in accordance with our relevant safeguarding policy.

To make our events entertaining and easy to follow for our audience and fans, we announce and publish information about participants, including nationality, scores and achievements.

Videos of exercises performed by participating gymnasts taking part in our major events are made available on the BG Score App and website but access is restricted to British Gymnastics members.

We delete event photographs and videos after five years unless we consider them to be of public interest and should consequently be archived for historical purposes. Where images have been published on social media, these platform providers may continue to process your data after the retention period has lapsed.

Any person wishing to use video, film or take photographs must abide by the [British Gymnastics Health Safety and Welfare Policy](#)

Photos may only be taken for personal use. Unless specifically accredited to do so, you may not take photos for sale, other commercial use, or publication in printed or electronic form, such as on websites.

Clubs may publish some photos but this may only be done in accordance with [British Gymnastics Photography Policy](#) and in conjunction with the [British Gymnastics Safeguarding Policy and Health Safety & Welfare Policy](#)

Flash photography may not be used at any time while gymnasts are warming up or competing.

Photography on the Field of Play by gymnasts, coaches and officials is not permitted.

If you have concerns about the identity or actions of any photographer or if you believe that any unsuitable photos are being taken, you should report your concerns to the British Gymnastics appointed Welfare Officer at the event.

Health & Safety

The health, safety and welfare of all participants (gymnasts, coaches and officials) is the primary consideration.

All British Gymnastics policies and procedures will be rigorously applied with regards to health, safety, welfare and Safeguarding & Protecting Children.

Overnight Stays

Government legislation requires that when a club takes a gymnast(s) under the age of 18 years on a journey involving an overnight stay, the club must ensure that there is a designated trained person responsible for child protection on the trip. To adhere to the CPSU child protection standards this person must not be related to or in a relationship with the coach attending the trip.

The training for the designated person should be British Gymnastics recognised Safeguarding and Protecting Children award or Home Country equivalent. The appropriate criminal records checks should also have been completed.

For Overnight Trips the appropriate form needs to be completed in full and sent to British Gymnastics at least four weeks prior to travel so we can get your trip approved and endorsed by our insurers. Failure to inform British Gymnastics of any overnight stays may invalidate your insurance.

Please note that the British Gymnastics Membership Insurance does not cover Travel or Emergency Medical Expenses, we therefore recommend that where necessary you take out additional Travel Insurance.

Drug Free Sport

The testing programme may affect any elite gymnast performing at a national standard.

Competition cards should be completed in FIG notation only.

Where a level of competition has required elements, these should be marked with asterisks prior to the card being submitted. Likewise, all elements that require a difficulty mark should be identified before the card can be accepted.

Competition cards will be required at all British Gymnastics national events

All cards must be signed by the appropriately qualified Supervising Coach in order to be valid.

Inquiries

An inquiry is only applicable when British Gymnastics Score is being used to facilitate video feedback.

A coach may only inquire about the D score (and ToF, Machine HD or Machine Synchro for TRA).

Inquiries can be made only for the Club/Region's own Gymnasts.

No inquiries can be made about Execution scores, or other penalties.

Inquiry forms will be published in each event workplan.

A coach should register a verbal intention to inquire by approaching the CJP and/or Superior Jury within 2 minutes of the relevant score's publication.

Thereafter, official NTTC inquiry forms must be completed and returned to the Superior Jury within 5 minutes of the initial verbal inquiry. Forms can be obtained from the CJP, Panel Manager or Superior Jury.

The Supervising Coach for the Club/Region of the competing gymnasts places the appeal form with the Superior Jury.

The placement of an inquiry form becomes a contract to pay the appropriate fee if the inquiry is not upheld.

- First inquiry: £25
- Second inquiry: £50
- Third and subsequent inquiries: £75

This fee will not be collected in cash at the event, but added to the basket of the club/coach concerned.

If a resolution cannot be made before the start time of the next competitors' exercise, the calculated mark will be listed as 'provisional' and will be considered at the end of the competition session and before any award ceremony.

To decide an inquiry, the Superior Jury will review the official video replay system **only**. No other video or photographic evidence can be considered. In the cases of uncertainty, benefit of the doubt will be awarded to the gymnast.

Provision of Officials

The Events Team, in accordance with the Expenditure Guidelines for Technical Committees, Judges & Officials, will book the accommodation for judges and officials appointed by the National Judging Co-ordinators and National Competition Organisers centrally .

Clubs will no longer be required to nominate judges and officials as part of their online entry for any of the National Competitions. Judges will be selected by the National Judging Co-ordinator and we will endeavour to confirm selection 4 weeks prior to each event.

NB: Recruitment for the Inter-Regional Challenge Cup Final will be as detailed above. We will endeavour to select judges from across all regions. A contribution of £335 from each region towards the costs for Judges for this event will be added to the online entry.
